Dated 24-05-2018

MINUTES OF MEETING OF BOS FOR M.TECH PROGRAMME
(ELECTRONICS & COMMUNICATION ENGINEERING)

A meeting of all internal members of Board of Studies (BOS) was conducted on 24.05.2018 in the Department of Electronics and Communication Engineering to discuss the following Agenda items regarding Curriculum Revision of B.E. and M. Tech. Programmes of ECE Department as per Guidelines of AICTE to be implemented from Academic session 2018-19:

1. Freeze the UG syllabus for 2K16 batch
2. Finalize the contents of PG syllabus for 2K18 batch onwards
3. Discuss the contents of UG syllabus for 2K18 batch onwards
4. Redefining labs as per syllabus for 2K16 batch and 2K18 batch

Following are the recommendations of the committee:

1. Few discrepancies in the contents of UG programme for 2K16 batch onwards have been reported to the DAAC during the last academic year 2017-18. Accordingly, corrections were incorporated, and the syllabi were modified by the concerned course coordinators. Now the syllabus has been finalized and approved for implementation for the UG programme for 2K16 batch onwards.
2. The contents of syllabus for M. Tech. (ECE) programme for 2K18 batch onwards has been prepared by the M. Tech. programme committee and hereby approved for implementation (original copy attached).
3. The B.E. programme committee of ECE Department has submitted the syllabus for the common course Elements of Electronics Engineering (ESEC-401) to be offered to the 1st year students of 2K18 batch (original copy attached). The BOS members recommend to implement the syllabus for Elements of Electronics Engineering (ESEC-401). Further it has been decided that the contents of courses from 2nd yr onwards may be again discussed and input may be taken from concerned faculty coordinators for incorporating the latest topics in Electronics & Communication Engineering as per AICTE guidelines. The contents of various courses of B.E. (ECE) programme for 2K18 batch from 2nd yr onwards will therefore be implemented later.

Contd. 2

4. As per the Course Curriculum requirement of current UG/PG programmes there is need to establish Microwave and Antenna Lab. So it is recommended that the Basic Communication Lab (Room No. E-202) may be redefined as Microwave Engineering. Further the partitioning of Room No. E-202 is redefined as Broadband Communication and Electromagnetic Measurements Lab.
